ORDER

Re: Document No. 46, Status Report

Ruling: On May 12, 2006, a justice of the New Hampshire Superior Court entered an order awarding the petitioner all of the relief to which he could possibly be entitled under the United States - Switzerland Extradition Treaty. Accordingly, I propose to dismiss the petition unless, on or before June 15, 2006, the petitioner shows cause as to why it should not be dismissed.
